HOCKING COLLEGE HAWKS MAKE

HISTORY ON THE COURT

Hocking College's men's basketball squad wrapped up a historic run in the 2023-24 season, and Coach Ryan Miley couldn't be prouder of his crew. Wrapping things up in March at the NJCAA Division II Men's Basketball National Championship Tournament in Danville, IL, Coach Miley was all smiles as he reflected on the journey.

Starting off with a bang, Hocking turned heads early on, snagging a spot in the NJCAA Division II Top 20 rankings. With an impressive 24-8 record for the season, the Hawks soared their way into the third round of the National Championship Tournament, a first in the college's history.

The Ohio Community College Athletic Conference saw the Hawks dominate as co-champions with a stellar 14-2 mark. And let's talk about that 12-game winning streak! From January to March, they were untouchable, leaving opponents in their dust.

But the icing on the cake? Winning the championship title at the Great Lakes District A Tournament in Flint, Mich. It was a nail-biter with an 82-80 victory over 15th-ranked Bay College that sealed the deal. Sure, the journey had its bumps, like the tough loss to Davidson-Davie CC and getting knocked out by Pima CC, but Coach Miley remained upbeat. "We had a great season, just a tough way to end it," he said. "The guys made history this year, and I'm proud of everything we accomplished."

The Hawks aren't slowing down anytime soon. With three straight seasons of 20 or more wins and two OCCAC championships under their belts, they're a force on the court. Coach Miley's excitement for the future is palpable. "I am happy for our sophomores and how they came up big this year, and I am excited about our freshmen and how good they can be."

So, here's to the Hawks and their unforgettable season. With Coach Miley at the helm, the sky's the limit for Hocking College's basketball.
